Sir:

This communication is being submitted with the payment of the Part B – Fee Transmittal form issued regarding the above-referenced patent application. Applicants respectfully point out that the Title of Invention as shown on the Fee Transmittal Form, “Antibodies for the Alpha Platelet-Derived Growth Factor Receptor” is incorrect. The correct title is “Methods for Identifying Alpha PDGFR Agonists and Antagonists” as submitted by applicants in the entered Amendment and Response filed on August 28, 2006. Thus, the title that should appear on the issued patent is “Methods for Identifying Alpha PDGFR Agonists and Antagonists.”

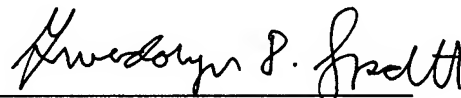

Applicants believe the failure to change the title to be an error on the part of the USPTO, therefore, applicants respectfully requests that the change be made without interrupting the status of the currently allowed application.

Furthermore, an amended Abstract was submitted with the Amendment and Response filed on August 28, 2006, and the Examiner has informed applicants' agent, Janell Cleveland, that this amendment was also entered. Thus, the issued patent should include the Abstract filed with the Amendment and Response filed on August 28, 2006.

A Credit Card Payment Form PTO-2038 authorizing payment in the amount of \$1,718.00, representing \$1,400.00 fee under 37 C.F.R. § 1.18(a), \$300.00 fee under 37 C.F.R. § 1.18(3), and \$18.00 fee for 6 additional copies of patent. An Issue Fee Transmittal Form and Fee Address Indication Form are also enclosed. This amount is believed to be correct; however, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 14-0629.

Respectfully submitted,
